SUBJECT: Custom Tops For Bryston Speakers

February 2016

Hi Folks

Just wanted to inform you that we now have 'Custom Tops' for the Bryston 'Mini T' and 'Mini A' bookshelf speakers.

These new custom tops can be ordered as an 'option' with any of our 'Target Speaker Stands.'

The Mini T top fits on the Target 'MR Series' stands.

The Mini T can be bolted directly to the top for more stability and better acoustic coupling or can rest free on rubber pads (supplied), small flat spikes (supplied) or Blu-Tack (not supplied).

The Mini A top fits on all three Target 'HR, HS and FS Series' speaker stands.

The Mini A top plate can be rotated 180 degrees when assembling depending on which frontal appearance you want your stand to have.
